Defect report

Title: 004 - Page Displays in Taiwanese Instead of English, with No Language Switch Option Available Steps to reproduce:

- 1. Launch the Chrome browser
- 2. Navigate to the page https://www.104.com.tw/
- 3. Click on the link Foreigners
- 4. Click on the arrow (dart) beneath the \'Login/Sign Up\' option.
- 5. Click on the \'Login/Sign Up\' link located above the \'My104 Member Center.\'
- 6. Click on the "立即註冊" (Register Now) button.

Expected result: The Page should open correctly and meet the following criteria:

- 1. The page content should be displayed in English.
- 2. There should be an option to change the language.

Actual result: Page Displays in Taiwanese Instead of English, with No Language Switch Option Available. The verification code was not received on the phone. Therefore, this issue prevents the completion of the registration process.
